- Display advertisements.
- Think about trade promotions.
- Make use of digital marketing techniques.
- Make use of trade marketing techniques.

What is the differences between brand and trade marketing?

- Brand marketing is all about telling the product's story and increasing awareness and demand.
- Trade marketing, on the other hand, is concerned with "sealing the deal" with customers: it encompasses the various ways in which brands collaborate with retailers through local media and in-store displays to draw attention to their products.
