PARIS- THE CITY OF LIGHTS

Paris is the most populous city of france which is known for its roman architecture and is popular for being known as the city of lights. In terms of tourism , paris is the second most visited city in europe after london.

The capital of france seems to have been designed specifically for the enjoyment of its visitors. Its french architectural buildings, florent streets, gardens and monuments beckon tourists to return.

Some of the most famous places to visit is the eiffel tower, the arc de triomphe and notre dame cathedral. Paris also oozes charm like nowhere else with its stunning architecture, beautiful parks, street cafes, riverside book sellers and art deco metro stations.

This is Egypt

Egypt is a country of unweathered, mild beauty of ancient mythological which involves grandeur history of northeastern African civilization that has ever been known. Egypt is probably the world's oldest civilization having emerged from Nile Valley around 3100 BC.

Egypt is the ultimate destination to bring out the beauty of the man-made resources and lose yourself in the infinite history such as the heights of Mount Sinai, the depths of Red sea, the luxurious tombs of Luxor and many more attractions.

The capital Cairo appears to be an inviting city with eastern exoticism and western sophistication.
